Pull Hard for Sammie.
B. F. Leavell, a Tipton broker, has a grandson he says is the greatest boy in the world. The chap is about six years old and is Benny Bates, son of Charles Bates, a Tipton business man. The grandfather was accused by the youngster, who seemed very interested in an incident, and he desired the grandfather's information. He asked Mr. Leavell: "Who was the kaiser?" The grandfather, in his plainest way, told the youngster, and asked why he was so interested. Benny spoke up and said: "Well, when school was out today a little boy in our primer class threw up his cap and said 'Hurrah for the kaiser!'" The granddad interrupted and said: "Why, Benny, that was when you should have licked the boy." Benny, in his youthful manner, said: "Oh, granddaddy, I didn't have to, George Elbert did that." George Elbert is a son of George Shortie, another Tipton business man, and the youngsters are both in the primary class and both "pull hard for the Sammies."—Indianapolis News.

RED CROSS MAKING SERVICE FLAG

WILL CONTAIN A STAR FOR EACH RECRUIT THAT HAS LEFT NYE COUNTY

A very satisfactory shipment went out from the Red Cross headquarters Monday. It was made up of the following: Forty-four sweaters, 50 pairs of socks, 8 helmets, 8 muffers, 6 pairs wristlets, 320 muslin bandages, 215 bed shirts, 34 pairs of pajamas and a box of canes from the Junior Red Cross.

The outside auxiliaries were all heard from this week. Manhattan sent in three pairs of pajamas, 9 shirts and 40 bands. Round Mountain sent 5 pairs of pajamas, 3 shirts and 2 sweaters. Beatty sent 6 sweaters and 4 pairs of socks. Rhyolite sent 62 bandages.

The Ladies' Aid Society of the Presbyterian church turned in yesterday to the French model department 40 "T" binders and 50 bath mitts. They have a large number of eye bandages almost completed. This organization, which meets every Thursday afternoon in the social room of the Presbyterian church, is doing a great deal of excellent work for the Red Cross.

No class was held in the surgical dressings department on Wednesday evening because of the Liberty loan parade, but on Thursday evening thirty women gathered at Red Cross headquarters and made 865 compresses. It means easing the pain of 865 men wounded in our defense while fighting the most righteous war in history.

One of the recent activities of the Red Cross is the making of a service flag for Nye county. On it will be a star for every recruit who has gone from our midst. This flag will be displayed for the first time at the Red Cross dance on Wednesday evening.

DEMAND FOR CURRENT MAGAZINES IS LARGE

MOVEMENT UNDER WAY TO SUPPLY SOLDIERS WITH CURRENT MAGAZINES

Relative to the magazines sent to Camp Kearny, California, Mrs. Grace R. Moore, librarian of the Tonopah Public Library, has received the following letter from T. H. Quire, the camp librarian:

Dear madam:—The announcement that the Camp Kearny library is to receive regularly the Review of Reviews, Everybody's, McClure's and the Cosmopolitan through the generosity of the Tonopah Public Library has just been received. This is the first "hit" in the way of reading matter that has come to the library from Nevada and if it is typical of what is to come after, the state can know it is sharing largely in the work for the men of the service. The demand for magazines of the type which you are sending has quite exceeded our capacity to meet the need and for that reason your thoughtfulness is doubly appreciated.

Mrs. Moore announced today that a movement is under way to send magazines to other camps and that the subscription list is to be seen at the library.

SWIMMING TANK IS READY FOR PLUNGE

TONOPAH SWIMMING POOL BEING PREPARED FOR SEASON'S OPENING APRIL 19

The directors of the Tonopah swimming pool are having needed repairs made to the cement floor and building and expect to have the pleasure resort in readiness to open to the public and the children of Tonopah next Friday. Should the pool not be thrown open on Friday notice will be given beforehand through the columns of the Bonanza. For the present the natatorium will be under the supervision of Mrs. George J. Murphy, who is responsible in a large measure for the building of it.

WILL AUCTION OFF BOXES DONATED

PLAN BEING PUSHED TO RAISE FUNDS FOR AMERICAN WOMEN'S HOSPITAL

In order to "give the people something for their money," the committee in charge of the raising of funds for the American women's hospital in France has arranged with the management of the Airdome to have auctioned off at that place on Saturday night, April 20, the two or more hundred boxes donated by the people of Tonopah. All that have not given and are desirous of helping, may either send checks to Dr. Anne De Chene, or leave boxes at Wells-Fargo company's offices, which firm has most kindly offered to receive them. Boxes need contain articles from 25 cents in value up. Anything, save perishables, may be placed in the boxes. Those already received contain many beautiful and useful articles for both men, women and children. Three prizes are to be given by the committee, more details of which will be given later.

The American women's hospitals, similar to the world famous Scotch women's hospital, founded in 1914, are allied with the government and with the American Red Cross, provision having been made and approved by the surgeon-general of the army and the director-general of the American Red Cross, for service to the army as well as to the civil population. The committee recognizes the constant demand made upon every one these days by all the organizations engaged in this fine work toward alleviating suffering and misery, but it wants the public to remember that this is just as worthy, just as much in need of help.

COLLIE DOG JUMPS FROM TRAIN

Yesterday morning when the train was leaving the station at Coaldale the collie dog "Togo" owned by Mrs. J. H. Schwabe, jumped from the baggage car and started back for Tonopah. The dog was being taken by Mrs. Schwabe and little son, Jack, to Yerington, where they were to visit friends for several weeks. Up to the present time no trace has been seen of this valuable animal. Any one locating the dog will please hold and notify the fire station at Tonopah.

FILM SPREAD OVER WATER

Thin Sheet on Surface Has Properties That Are Very Like Those of India Rubber.

It seems not to be generally understood that the surface of all water is covered by a film of the water itself, which in its action is not unlike that of a thin sheet of India rubber, says Edward Bigelow, the scout naturalist, in Boys' Life. To comprehend this one must imagine the rubber to be so thin as to be transparent. The surface of the water itself is elastic and under tension, so that a needle, though heavier than the water, may be floated on the surface.

Several interesting experiments may be made with the elasticity of this film. One of the best is to place two slender splinters of wood side by side on the water. Now drop a little alcohol between the splinters. This alcohol will immediately break the surface film between the splinters, and the pulling force of the remaining film, since there is nothing between them to hold them, will cause the splinters instantly to fly apart.

Another interesting experiment is to whittle a thin, slender splinter, pointed at one end somewhat like a boat. Place a tiny bit of gum camphor on the rear of this splinter and the gum will destroy the surface film so that there will be no pull in the rear. As there is a pull in the front not balanced by one in the rear, the tiny boat will run forward as rapidly as the camphor can dissolve the film in the rear.

Some interesting little "magic" tricks might be developed from these experiments which would surprise and instruct your friends.

PLANS UNDER WAY FOR THE VISITORS

BUSINESS MEN AND STOCK BROKERS EXPECTED HERE ON APRIL 17

Plans are under way in Tonopah and in Gold Mountain for the entertainment of the business men and stock brokers that will leave San Francisco for Tonopah and Gold Mountain on April 17. George Wingfield has promised the guests a wild turkey dinner to be given them in Tonopah, according to R. E. Connolly, the publicity agent of the San Francisco stock exchange.

In the telegram Connolly states that up to this morning he had a tentative list of fifteen that are to make up the party and that he expects to have a larger number before the date set for their departure.

FIRES BLANK SHOTS AT TAME COYOTE

MANHATTAN CITIZENS HAVE EXCITING RACE WITH COYOTE NEAR MOSBY'S

Hon. A. S. Putney, who was motor-ing in from Manhattan yesterday afternoon, came upon a coyote on the road near Mosby's Wells which followed and ran alongside of his machine for some distance. Mr. Putney, it is said, took five shots at the animal but learned afterward that his pistol was loaded with blank cartridges, which allowed the coyote to escape. A few minutes later Judge Haywood of Manhattan, who runs a transfer truck on the road between the two camps came upon the same coyote, which trotted along the road for a few miles just ahead of the truck. The animal, finally becoming tired, stopped and faced the machine. Judge Haywood alighted on the ground and with a shovel killed the beast. The carcass was brought into Tonopah and the head was shipped to the University of Nevada this morning. The judge is some shot with a shovel.

AMUSEMENTS

EUSHMAN AND BAYNE AT THE BUTLER

"Red, White and Blue Blood" shows Francis X. Bushman and Beverly Bayne, the screen's most successful co-stars, at their best. As plain John Smith, Mr. Bushman is strong, manly, likeable and as the fascinating Miss Malloy-Smythe Miss Bayne is wholly charming. There is action with a "punch" in this Metro Wonderplay. Miss Malloy-Smythe is an admirer of blue blood. In John Smith she encounters for the first time a man with real red blood in his veins. However, he shows her there is something even better than that—good American red, white and blue blood. Yet there are no battles in red, white and blue blood, except between truth and hypocrisy. A western train hold-up is one of the entertaining features—also an English fox hunt which took place near the famous Meadow Hunt Club on Long Island where scores of expert riders, both men and women, rode before the camera. For the first time in motion pictures, the director succeeded in photographing the entire hunt. Mr. Bushman brought two mounts from Bushmanor, his estate in Maryland; he rode "Nubian King," while Beverly Bayne rode "Petroleum." A number of Great Dane dogs were also brought from Bushmanor, and all the horses used were thoroughbreds. This is not all of the program, however. Whatever happens do not miss the two-reel Fox comedy, "Hungry Lions in a Hospital," a companion picture to "Roaring Lions and Wedding Bells," which was shown here some little time ago, and which the people are talking about yet. Do not miss this show! Your loss if you do. At the matinee each child will be given a coupon, and at the close of the matinee six Thrift stamps will be given to the six children holding the lucky numbers. It's a good way to get a book started, or add to the one you have. They cost nothing. Tomorrow Sarah Bernhardt in "Mothers of France," and "Vengeance and the Woman" Monday, Geraldine Farrar.
